---

- Managing Project Data

**Chamber Of Commerce, Industry & Agriculture Tripoli & North Lebanon, Tripoli, Lebanon**  
MSCE

**May 2006**

Course Content:

- Planning
- Implementing & maintaining a Microsoft Windows Server 2003
- Active Directory Infrastructure
- Network Infrastructure

**Cisco Networking Academy - BCU, Beirut, Lebanon**

**October 2005**

CCNA (1 to 4)

GPA / Grade: 91.51%

Courses Attended:

- CCNA1 "Networking Basics"
- CCNA2 "Routers & Routing Basics"
- CCNA3 "Switching Basics and Inter-mediate Routing"
- CCNA4 "Wan Technologies"

**Seminars Attended:**

- Cisco Expo 2009-Four Seasons Hotel, Doha, Qatar

**Accolades:**

- Received 4 Recommendations letters from CISCO, Systems.

**Business & Computer University College (BCU), Beirut, Lebanon**

**July 2005**

Bachelor's degree in Computer Communication

GPA / Grade: 3.22 / 4.00

Graduation Project:

Internet working Troubleshooting Handbook- Studied the relationships that IT provides for the information necessary to troubleshoot many problems commonly encountered in internetworks using Cisco hardware & software products

**Tripoli Technical Institution, Tripoli Lebanon**

**August 2004**

Diploma in Systems & Networking

Graduation Project:

Internet Service Provider ISP - a research that introduces the meaning of ISP, the servers needed for building an ISP & what type of technology that could be used to do so.

## PERSONAL INFORMATION

---
